

# New Miami Graduate Goals

## 24/25

Students will learn and implement the following goals and strategies by their 8th Grade Graduation.

The goals will be accomplished through academic rigor as well as community involvement with the New Miami Colony through mentoring and active participation in Colony activities.

1. Effective Communication—Strong written, verbal, and digital communication skills, capable of expressing ideas clearly and persuasively.
2. Collaboration and Teamwork-- Ability to work effectively in groups, contributing to team goals while respecting diverse perspectives.
3. Adaptability and Flexibility— Readiness to adjust to changing circumstances and challenges with resilience and openness to learning.
4. Self-Discipline and Time Management—Strong organizational skills and the ability to manage time, prioritize tasks, and meet deadlines independently.
5. Emotional Intelligence—Awareness and management of one’s emotions and the ability to empathize with and understand the emotions of others.
6. Leadership and Initiative—Confidence in taking responsibility, showing leadership in various situations, and proactively pursuing goals.
7. Financial Literacy—Basic understanding of financial concepts such as budgeting, saving, investing, and managing credit responsibly.
